

- D. "Assisted living communities" and all facilities providing "assisted living care" pursuant to Code Section 31-7-12.2;
 - E. "Community living arrangements" as classified by the Department of Community Health pursuant to Code Section 31-2-4(d)(8); and
 - F. "Community integration homes" operated by the Georgia Department of Behavioral Health and Developmental Disabilities.
- 11. "Necessary Travel" shall mean such travel as is required to conduct or participate in Essential Services or Critical Infrastructure as defined by this Order.
 - 12. "Organization" shall mean any business, establishment, corporation, non-profit corporation, organization, or other entity.
 - 13. "Personal Protective Equipment" shall mean surgical masks, N95 masks, respirators, other face masks, protective gloves, protective clothing, protective garments, and shoe coverings.
 - 14. "Post-Exposure Quarantine Protocol" shall mean that, in accordance with Centers for Disease Control and Prevention and Georgia Department of Public Health guidelines, any person who has had close contact (six (6) feet or closer for a cumulative total of fifteen (15) minutes or more) with a person that has or is suspected to have COVID-19 within the past fourteen (14) days is required to either:
 - A. Quarantine at their home or place of residence for fourteen (14) days from the date of most recent exposure;
 - B. Quarantine at their home or place of residence for at least ten (10) days from the date of most recent exposure, then practice extreme diligence in monitoring for Symptoms of COVID-19, wearing a face covering, and social distancing until fourteen (14) days have passed since the date of most recent exposure;
 - C. Quarantine at their home or place of residence for at least seven (7) days from the date of most recent exposure if a COVID-19 test was taken no earlier than day five (5) of quarantine and a negative result is received, then practice extreme diligence in monitoring for Symptoms of COVID-19, wearing a face covering, and social distancing until fourteen (14) days have passed since the date of most recent exposure; or
 - D. If the exposed person has:
 - i. Been fully vaccinated against COVID-19, meaning two (2) or more weeks have passed since receipt of one does of a single-dose vaccine or the second dose in a two-dose vaccine series and not more than

three (3) months have passed following receipt of the last dose of vaccine; or

- ii. Recovered from illness due to laboratory confirmed COVID-19 infection, has already met criteria to end isolation, and is within ninety (90) days following the onset of symptoms of the initial laboratory confirmed COVID-19 infection or ninety (90) days of the first positive COVID-19 test result if they were asymptomatic during the initial infection;

the person shall not be required to quarantine but shall actively monitor for Symptoms of COVID-19.

If at any time during the Post-Exposure Quarantine Protocol time period a person experiences Symptoms of COVID-19, that person shall seek a COVID-19 test, isolate until test results are received, and proceed in accordance with the test results and Centers for Disease Control and Prevention and Georgia Department of Public Health guidelines.

- 15. "Restaurants and Dining Rooms" shall mean any entity defined as a "food service establishment" pursuant to Code Section 26-2-370(2).
- 16. "Shelter in Place" shall mean a person is required to remain in their home or place of residence and take every possible precaution to limit social interaction to prevent the spread or infection of COVID-19 to themselves or any other person, subject to the provisions and exceptions of this Order.
- 17. "Single Location" shall mean a space where all persons gathered cannot maintain at least six (6) feet of distance between themselves and any other person.
- 18. "Social Distancing" shall mean keeping space between yourself and other people outside of your home or place of residence. Persons practicing Social Distancing should stay at least six (6) feet from other people, avoid assembling in groups, avoid crowded places, and avoid large crowds. This provision shall not apply to cohabitating persons, family units, or roommates residing together in private homes, whether inside or outside of their homes or place of residence.
- 19. "Symptoms of COVID-19" shall mean symptoms identified by the Centers for Disease Control and Prevention as symptoms of COVID-19 and shall include at least the following: fever or chills; cough; shortness of breath or difficulty breathing; fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; and diarrhea.
- 20. "Threshold Requirement" shall mean the prevalence in a county of confirmed cases of COVID-19 over the previous fourteen (14) days is equal to or greater than one hundred
